**HCUP Summary Statistics Report: NEDS 2021 DX\_PR\_GRPS File**  
**Frequency Distribution for DXCCSR\_DEFAULT\_DX1**

| <b>DXCCSR_Default_DX1</b>                                                                                   | <b>Frequency</b> | <b>Percent</b> |
|-------------------------------------------------------------------------------------------------------------|------------------|----------------|
| BLDnnn: Diseases of the Blood and Blood Forming Organs and Certain Disorders Involving the Immune Mechanism | 195,716          | 0.65           |
| CIRnnn: Diseases of the Circulatory System                                                                  | 2,690,019        | 8.94           |
| DIGnnn: Diseases of the Digestive System                                                                    | 2,231,433        | 7.41           |
| EARnnn: Diseases of the Ear and Mastoid Process                                                             | 407,453          | 1.35           |
| ENDnnn: Endocrine, Nutritional and Metabolic Diseases                                                       | 645,546          | 2.14           |
| EYEnnn: Diseases of the Eye and Adnexa                                                                      | 231,450          | 0.77           |
| FACnnn: Factors Influencing Health Status and Contact with Health Services                                  | 767,428          | 2.55           |
| GENnnn: Diseases of the Genitourinary System                                                                | 1,785,219        | 5.93           |
| INFnnn: Certain Infectious and Parasitic Diseases                                                           | 2,366,989        | 7.86           |
| INJnnn: Injury, Poisoning and Certain Other Consequences of External Causes                                 | 5,438,793        | 18.07          |
| InvlDX: Invalid principal/first-listed diagnosis                                                            | 276              | 0.00           |
| MALnnn: Congenital Malformations, Deformations and Chromosomal Abnormalities                                | 12,064           | 0.04           |
| MBDnnn: Mental, Behavioral and Neurodevelopmental Disorders                                                 | 1,439,124        | 4.78           |
| MUSnnn: Diseases of the Musculoskeletal System and Connective Tissue                                        | 1,990,538        | 6.61           |
| NEOnnn: Neoplasms                                                                                           | 175,095          | 0.58           |
| NVSnnn: Diseases of the Nervous System                                                                      | 1,165,061        | 3.87           |
| NoDX1: Missing principal/first-listed diagnosis                                                             | 23,069           | 0.08           |
| PNLnnn: Certain Conditions Originating in the Perinatal Period                                              | 41,258           | 0.14           |
| PRGnnn: Pregnancy, Childbirth and the Puerperium                                                            | 954,508          | 3.17           |
| RSPnnn: Diseases of the Respiratory System                                                                  | 2,331,507        | 7.75           |
| SKNnnn: Diseases of the Skin and Subcutaneous Tissue                                                        | 908,481          | 3.02           |
| SYMnnn: Symptoms, Signs and Abnormal Clinical and Laboratory Findings, Not Elsewhere Classified             | 4,279,851        | 14.22          |
| XXX000: Unacceptable principal diagnosis                                                                    | 1,340            | 0.00           |
| XXX111: Unacceptable first-listed diagnosis                                                                 | 17,150           | 0.06           |
