

The 2015 HCUP Central Distributor State Inpatient Databases (SID), State Ambulatory Surgery and Services Databases (SASD), and State Emergency Department Databases (SEDD) for New Jersey were recreated in June 2018 to correct information in the data element containing information about the patient's Do Not Resuscitate order (HCUP data element DNR). The purpose of this notification is to provide a brief description of the problem.

Differences between the Original and Updated 2015 New Jersey SID, SASD, and SEDD

- 2015 New Jersey SID
 - The updated version of the SID corrects the value of DNR on 146,791 records (19.9 percent of the SID).
- 2015 New Jersey SASD
 - The updated version of the SASD corrects the value of DNR on 18,145 records (3.6 percent of the SASD).
- 2015 New Jersey SEDD
 - The updated version of the SEDD corrects the value of DNR on 242,185 records (7.5 percent of the SEDD).

We apologize for any inconvenience this may have caused. If you purchased any of the 2015 HCUP State Databases for New Jersey prior to June 2018 and would like a complimentary copy of the updated version(s), please contact the HCUP Central Distributor (866-556-4287 toll-free or HCUPDistributor@AHRQ.gov).
